CALL FOR PAPERS
LAITECH2025 STUDENT CONFERENCE – TALLINN
February 27 – 28, 2025

The TalTech Law School is inviting submissions for its Fourth Student Conference on The Law, Ethics, and Policies of AI, and Future Technologies. You are cordially invited to send abstracts or proposals for presentations and posters to participate in **LAITech2025**.

The conference will take place on **February 27 - February 28, 2025,** in Tallinn, Estonia. It will bring together local and international students and professionals. The participants will find opportunities to present new research ideas, exchange information about innovative methods, and discuss issues at the top of the global regulatory agenda. Although we focus on legal and policy developments related to AI and future technologies, interdisciplinary proposals – theoretical or empirical – are highly encouraged. The conference will be happening in Tallinn University of Technology where participants will present in the chosen venue.

ABSTRACT PAPER SUBMISSION

- Authors are requested to submit proposals no later than *November 25, 2024.* The submission should consist of an abstract of no more than 400 words of length, in a word file named as follows:
    - abstract.LAITech2025.Surname.doc;
    - researchppresentation.LAITech2025.Surname.doc; or,
    - poster.LAITech.Surname.doc
- The proposal should outline the components of the research (i.e. research problem, research purpose, main arguments or hypotheses, research question).
- The participants will receive helpful feedback with the notification of acceptance to guide and encourage them to improve their work for the final submission.
- All submitted conference papers will be blind peer reviewed by competent reviewers. A number of selected high-impact full-text papers will also be considered for the opportunity to be published.
- The proposals should be directed to the **ilsataltech@gmail.com** with a "LAITech2025 submission" subject indication.
